Commander's Message

My Fellow Legionnaires:

Generally speaking, each of our officers has specifically assigned duties. Some are more obvious than others. I would like to bring to your attention two individuals whose duties are not obvious and take place off the premises.

Brian Frye, member of the Executive Committee, is the Chairman of our Patriotism and Youth Committee. His responsibilities include maintaining the flags here at the Post home and at Veteran's Park in Old Bowie. More importantly, he goes to Rockledge Elementary School and gives presentations to the children and faculty on proper flag etiquette and uses a DVD's produced by the American Legion National Headquarters. These DVD's are an excellent teaching tool for any organization seeking to teach proper respect for our National colors. Brian spends considerable time at this worthy endeavor and we are fortunate to have an officer of his caliber heading up this important work. He is also involved in our American Legion Baseball Committee and I am proud to serve with Brian.

Richard Beckwell is our Post Judge Advocate. As such, his primary responsibility is to interpret our bylaws when called upon to do so. However, Richard also busies himself as the Assistant Director of our

American Legion Riders Chapter here at Post 66. He and his wife Susan are faithful visitors to Walter Reed Army Medical Center to visit our wounded warriors. He is a member of the Patriot Guard Riders who provide motorcycle escort to military funerals all over the state. At these funerals, Richard presents the gold star banner to the mother of the deceased on behalf of Post 66. This alone should be enough for special recognition for Richard. I can't imagine how difficult this must be for any of us but Richard handles this very professionally and with great empathy. He is also one of our two "White Hats" which signifies he is a delegate from our Post to the Department Executive Committee. As you can see, Richard spends considerable time and miles to carry out his duties and represent our Post with distinction and honor. I am honored to serve with Richard.

As a reminder, mark your calendars for Saturday, May 17, for Armed Forces Day. We will be hosting an outdoor cookout for Veterans and Armed Forces personnel and their families and all are invited to attend. We will have typical cookout food in the pavilion from 2:00 p.m. to 5:00 p.m. This is an opportunity for all of us to say thank you to those who serve our Country in uniform.

POST 66 CALENDAR OF EVENTS

Auxiliary Unit 66

Spring is now upon us and a new energy stirs us to get active and get things going.

One way to do that is by attending the May meeting of your Unit. At the May meeting, we will be electing our new officers for 2008-2009. All members are encouraged to attend this meeting to vote for those you would like to see holding office in the Unit.

We are holding a raffle for a Mother's Day basket. You may see any Auxiliary member to purchase tickets or you may purchase them from a bartender. The drawing will be on May 9th at the Auxiliary dinner.

The dinner for May is meatloaf, mixed vegetables, scalloped/au gratin potatoes, roll and dessert. This will be the last regular

dinner until September. But don't forget taco night on the last Friday of the month. So come on out, support the Auxiliary, and give yourself a night off from the kitchen.

Don't forget that May is Poppy Month. If you would like to help in raising monies for the good work we do and awareness of our Veterans, see our Poppy Chairman, Brenda Grubb-Graham. And let us not forget all those who paid the ultimate sacrifice and especially remember them on Memorial Day, May 26th.

On Sunday, June 22nd at 5:35 p.m., it is American Legion Auxiliary Night at Ripken Stadium. If you are interested in attending, you may see Lois Van Sickel, our President. There is a flier on the Auxiliary bulletin

board with all the information.

At the March meeting, it was voted on and unanimously approved to have a plaque made honoring Anna Thompson for her dedication and many years of service to the American Legion Auxiliary. We hope to have the plaque within the next couple of months and it will be mounted on the wall with Eddie Thompson's plaque next to the office entrance.

Don't forget the American Legion State Convention, July 15 - 18 this year, in Ocean City. It would be great to have a huge turnout. Check your calendars and hopefully you will be able to attend and enjoy the fun, sun and getting together with Auxiliary members from all over the state.

Judy Williams
Secretary, Unit 66

S.A.L. Squadron 66

We'll start this article off with a few important special thanks for our dedicated volunteers that have made our functions a great success. In particular, the Tuesday sandwich night and the "half-baked" chicken dinner crews. Because of your hard work, both of these events keep hungry members coming back for more. Also, thanks to those who helped with the Bull and Oyster Roast back in March. I'm proud to say that I am now an expert at slicing meat and I still have all

my fingers (a spectacular feat if you know the kitchen help).

Since May marks the end of our Friday night "half-baked" chicken dinners, be sure to sign up for our last one so you don't miss out on this plate-busting meal. The last dinner will be on May 16th from 6:30 - 8:00 p.m. Don't forget, you can order your dinner to go.

Congratulations Squadron #66, we've made 4-star status this year! Thanks to all those who have paid their dues. If you have

not yet, please get them in. In other S.A.L. business, it is time for us to compile our end of year report, which lists all the hard work and accomplishments we've made this year. If you have any volunteer hours or information that can be added to the report, please let one of our officers know. It is also time for nominations of officers for the next year. Nominations will be held at our May meeting with elections to follow in June.

American Legion Riders

Well, winter is finally over and spring has sprung. It is time to get those bikes out of the garage and on the road!

Before I get too far, I would like to follow up on some items from the last newsletter. As the American Legion Riders (ALR) is now a program within the American Legion, we needed to establish a new set of bylaws that reflects that status. These bylaws were unanimously voted in by the body and are posted on the ALR section of the Post website. Secondly, our ride schedule is posted there as well. It is a work-in-progress, but reflects our intent. In addition, we celebrated our second full year as an ALR chapter at Post 66. Happy Birthday to us with hopes for many more.

On March 26th, six members from this chapter joined with the Patriot Guard Riders in providing a send-off escort to the 224th ASMC (MDNG) from their base of

operations, the Laurel Armory, to the Baltimore-Washington International Airport. From there, they flew to Washington for additional training prior to their deployment to Iraq. We look forward to escorting them back when they return home.

Our official "suggested" ride schedule is also posted on the website. We are planning a few more social rides suggested by our membership.

We have a busy May and June schedule.

May 17 - Armed Forces Appreciation Day at the Post

May 24-26 - Memorial Day weekend festivities

-- May 24 - Bowie City Parade

-- May 25 - Rolling Thunder, Washington, D.C.

-- May 26 - Bowie Memorial Day ceremonies at Bowie Veterans Park

June 14 – Post Flag Day ceremonies

June 15 – Purple Heart Foundation Ride to Walter Reed Army Medical Center

June 22 – Concerns of Police Survivors (COPS) Motorcycle Ride

June 28 – Participate in ALR Post 239 Poker Run to benefit Fisher House

The ALR is a Post level program and is open to all in the Legion family. Membership qualifications are defined in our bylaws, so if you ride, and would like to join us, we welcome you.

S.A.L. (Continued from page 4)

The 35th Annual Convention of The Sons of the American Legion, Detachment of Maryland, will be held on June 20 – 22 at Francis Scott Key Post 11 in Frederick. If you are interested in attending as one of our delegates, please contact an officer for registration information.

One last reminder that our meetings are held the second Monday of each month at 7:30 p.m. It is time to start planning for future events and we can always use your help and any ideas you may have.

On a personal note, your Squadron Commander will be tying the knot on June 21st...I think that's the

date (just kidding)! That's right, all you single ladies will have to remove me from the available list. By now, most of you have met or seen my future wife, (Darlene), at Post events. In fact, she is usually helping me run 50/50 raffles. She has been and will continue to be my biggest supporter and is always willing to lend me a hand with events at the Post. Little does she know, she'll have to put up with my antics the rest of her life.

See you at the Post.

Patriotism and Youth Committee

Boys State 2008

Disney-Bell Post 66 is sending a record number of young men to Maryland Boy's State this year. Seven individuals have been nominated for this program and made a commitment to the class. We have been told our Post is sponsoring more young men than some of the Districts in the State. These individuals were nominated by our Scout Troop, the BHS counselors, and the leadership of the BHS NJROTC. A big "you done good" to S.A.L. Squadron 66 for contributing the funds to cover tuition for two of these young men. We could not cover all the nominations without their help.

Department of Maryland Sergeant-at-Arms

Past Commander Jan D. Larson has been endorsed for Sergeant-at-Arms, Department of Maryland. One of our own will be serving at the State level. Please congratulate J.D. and offer your assistance if asked.

Post Membership Report

Our membership drive is down to the final days.

The 2008 membership year is quickly coming to the final few days. We are at risk of not making our 20th year, Department of Maryland, 4-Star status goal. We need your help. As of this printing, we are 50 members way from our goal of 964. The membership team has worked hard this year bringing in 102 new members to the Post. Unfortunately, we have 168 members who have not renewed.

PLEASE check the suspended member roster on the website or at the Post by the sign in register and call or visit anyone you know to ask them to renew. Check if you co-workers are eligible, ask a neighbor to join. Bring in one new or renewed member in the next 30 days so we can achieve our 20th consecutive year as a 4-Star Post.

Election Time is Approaching

Officer nominations for the 2008-2009 Legion year will be made at the May 28th general membership meeting. Elections will be held at the June 25th general membership meeting. Legionnaires must hold current membership in good standing to be nominated, vote, or be elected.

Want to have more say in the post? Run for an office or nominate someone who you believe will serve the Post and the Legion family well.

Youth Shooting Program

We are still looking for someone interested in organizing a youth shooting program (.177 Air Rifle). Crossman and the N.R.A. have support initiatives for these programs which helps to lower initial overhead.

Any Post family member interested in helping with this youth program, please contact Brian Frye, Patriotism & Youth Committee at pypost66@comcast.net or call the Post at 301-464-9814 and leave a message for Brian.

Wounded Warrior Visits

Our most recent monthly wounded warrior visit to Walter Reed Army Medical Center took place on March 31 and four Post members attended. Two of the visiting Post members had served in Iraq and they established an incredible rapport with the veterans who they visited. By the time this newsletter is published and distributed, the April 30, 2008, visit will probably have taken place. The subsequent visit after that will be during the first week of June. Please sign up at the bar at the Post if you would like to join us for this visit. We meet at the Post at 11:45 a.m. for a Noon departure. We expect a 1:00 to 2:00 p.m. visit.

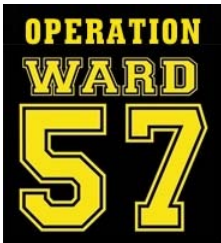

Please continue to donate your gently used books for our soldiers. Bring them to the Post and mark the bag or box "Walter Reed Visits." We are donating some books to the Charlotte Hall Veterans Home on a regular basis. We also had a boxful of books for the 224th Maryland Army National Guard Medical Unit, which just shipped out to Iraq.

Our continuing thanks go to our Legion family members, to the Honors Club (honoring active and retired service persons), River Hill High School, Clarksville, Maryland, and Artistry Nail Salon, Bowie, for collecting and donating books for these causes.

Contact Roger Goll at 301-262-8589 for additional information.

Walter Reed Army Medical Center (WRAMC) in Washington DC is the first stop for many of America's returning wounded service members from Iraq and Afghanistan. Known as "the amputee ward", the orthopedic Ward 57 at WRAMC houses some of the most severely injured patients for weeks or even months. The painful sacrifice of losing one or more limbs is the new battle these service members and their families now fight.

Operation Ward 57 was started to have a direct way for individuals and companies to show their support and raise funds for these courageous men and women who have given so much.

The program is run through pro-football player Kerry Carter's **THINK BIG FOUNDATION**, 501(c)(3) not-for-profit organization, Tax ID: 20-196-2446, in partnership with **Atmosphere Artist Management LLC**. This is a grass-roots, volunteer effort. Each person who buys a T-shirt, not only shows their support, but directly contributes to items for the Ward, patients, family members and staff.

Disney-Bell Post 66 to host NABF Mid-Atlantic Baseball Tournament

The Post will partner with Coach Ford to host the National Amateur Baseball Federation (NABF) Mid-Atlantic Regional Tournament from July 17th – 21st, 2008. This will be a new endeavor for the Post and it also falls at the end of our convention. We need your help to make this event a success. Prior to the tournament, we need help building tournament books, selling advertisement space and creating a t-shirt to sell at the event. During the tournament, we need event officials, scorekeepers, and concession stand workers. This is a great event to showcase the American Legion and Disney-Bell Post 66 in the Bowie area. Watch for a sign up sheet and pitch in to help make this the best NABF Tournament ever.

It's Baseball Time

The Post will sponsor a Legion baseball team again this year. Registration plans are underway. The team will play U19 Legion baseball and also register as an NABF team to increase the number of games and tournament opportunities for the season. Chuck Ford will return as the head coach for the team. Our "base school" will be Bowie High School with players from other schools allowed who meet registration and school size requirements. This team requires support of our Legion Family members. We are looking for one more assistant coach, a general manager, and as always, concession stand workers and fans at the games. Additionally we are always looking for members to serve on the Baseball Committee.

Any Post member interested in helping with this youth program, please contact Brian Frye, Patriotism & Youth Committee at pypost66@comcast.net or call the Post at 301-464-9814 and leave a message for Brian.

Memorial Day (Last Monday in May)

It was 1866 and the United States was recovering from the long and bloody Civil War between the North and the South. Surviving soldiers came home, some with missing limbs, and all with stories to tell. Henry Welles, a drugstore owner in Waterloo, New York, heard the stories and had an idea. He suggested that all the shops in town close for one day to honor the soldiers who were killed in the Civil War and were buried in the Waterloo cemetery. On the morning of May 5, the townspeople placed flowers, wreaths and crosses on the graves of the Northern soldiers in the cemetery. At about the same time, Retired Major General Jonathan A. Logan planned another ceremony, this time for the soldiers who survived the war. He led the veterans through town to the cemetery to decorate their comrades' graves with flags. It was not a happy celebration, but a memorial. The townspeople called it Decoration Day.

In 1882, the name was changed to Memorial Day and soldiers who had died in previous wars were honored as well. In the northern United States, it was designated a public holiday. In 1971, along with other holidays, President Richard Nixon declared Memorial Day a federal holiday on the last Monday in May.

Cities all around the United States hold their own ceremonies on the last Monday in May* to pay respect to the men and women who have died in wars or in the service of their country.

In Waterloo, New York, the origin has not been lost and in fact the meaning has become even more special. President Lyndon Johnson proclaimed Waterloo the birthplace of Memorial Day in 1966, 100 years after the first commemoration. Every May 30, townspeople still walk to the cemeteries and hold memorial services.

Arlington National Cemetery in Virginia is the nation's largest national cemetery. Not only are members of the armed forces buried here; astronauts, explorers and other distinguished Americans have all been honored with a special place here. President John F. Kennedy is buried in a spot overlooking Washington, D.C..

Here in the early hours of the Friday morning before Memorial Day, soldiers of the Third U.S. infantry walk along the rows of headstones. Each soldier stops at a headstone, reaches to a bundle of flags he is carrying, pulls one out and pushes it into the ground. These soldiers are part of a special regiment, the Old Guard. Most consider it a privilege to place flags on the more than two hundred thousand graves of soldiers who served in the wars or who died in them. "They have done their job," said one soldier, "and now it's my turn to do mine."

On Memorial Day, the President or Vice President of the United States gives a speech and lays a wreath on the tombs. Members of the armed forces shoot a rifle salute in the air. Veterans and families come to lay their own wreaths and say prayers. There is a chance that one of the soldiers buried here is a father, son, brother or friend.

S.A.L. Tuesday Sandwich Night Crew

A Special Thank You.

Executive Committee member and Past Commander Tom Murphy worked hard to put on the St. Patrick's Day dinner this year. He wanted to give special thanks to his crew that evening. They were Jan Hart, Karen Goldstein, and Phoebe LeMaster in the kitchen, Ray Hart on the cashbox, and Commander "Taste Tester" Dick Lanham. Tom also wanted to thank all the hungry customers who enjoyed the traditional Irish corned beef and cabbage dinner.
